SHIPPING AND HANDLING

Shipping charges are actual cost. Standard shipping within the U.S. is via U.S. Priority Mail. Shipping costs for any single item mailed via this method within the U.S. is \$4.60. Global Priority is used for international shipments under four pounds where the service is available unless another method is requested. If paying by check for orders of more than one single item, please inquire about the shipping costs. Estimated shipping costs can be made for all other orders.

We also ship via Federal Express and UPS. For convenience, you may choose to provide us with your Fed Ex or UPS account number, and shipping charges will not be included on your total. Inquire for additional shipping options.

A handling fee of \$3.00 will be added to all orders.
